Register at: www.gcp-service.com

Join us for an exclusive online summit on clinical trials in the EU vs the USA! You will learn:

- How to execute a clinical trial in the EU with data that meets the FDA-standard, but at a fraction of the cost of USA CROs
- How to visit and experience high-quality sites/centers in EU hospitals
- How to talk directly to experts from the associations and regulatory authorities
- How to get one-on-one expert advice on product registration in the EU
- How to collaborate with local companies in Europe

Don't miss this opportunity to gain valuable insights and connections for your business.

Register now and get ready to take your clinical trial to the next level!

Summit entry: Free.
